

2010 Sunday School Report

Sunday School is held most Sunday's from 9:30 Ð 10:30 at the SKY House. The teachers continue to be Lori Henrichs, Becky Smith, and Karla Anderson. Approximately 21 kids participate on a regular basis, which makes for an average attendance of 15. We were blessed to have 23 participate in The Christmas program which we presented on the first Sunday of Advent which was the worship service to open that most important season of joy!

Some of the other sharing during worship has included carrying in the palms on Palm Sunday, singing the VBS theme song in June, The ecumenical Vacation Bible School culminated with a program at the Catholic church in June after a Sunday noon meal for all who came to enjoy the kids' program. Thank you to all who supported the children by attending!

This school year the curriculum is in the form of a game in which the kids are 'climbing a ladder' with each rung representing some aspect of the Christian faith.

2010 HOFNOD Report (Fall)

Karla Anderson and I have been teaching the children in grades 1-6 the Ten Commandments. The children are divided into two groups - grades 1-3 and grades 4-6. This allows us thirty minutes per group. Karla has been a huge help as she prepares an activity to reinforce the teaching I present each week.

The plans are to complete the Ten Commandment lessons, then teach about the Armor of God for the remainder of this year.

We are blessed to have usually twenty plus children per group. This requires adult help especially with the younger children to show them how to use and find verses in the Bible. The more adult help we have, the more time we have to teach the children about our Lord and Savior.
