

Schedule for Worship Callers/Communion Preparation

Our worship callers are volunteers who are scheduled for one month of the year to call church members to serve as Greeters and Worship Leader on Sunday mornings. Folks of all ages (Junior High and Adults) may be called to serve in these roles. Greeters should be at Church by 8:45 AM to hand out bulletins and welcome all those who arrive for worship. Worship Leaders will lead the responsive Call to Worship and Invocation printed in the bulletin.

When your month is complete, please call the person next in line to remind them of their turn.

Thank you for accepting this important ministry in our Church family.
